AN ACT to provide for the examination, registration and regulation of trained nurses, and prescribing penalties for violation thereof.

Be it enacted by the Legislature of the State of Kansas:

Section 1. That upon taking effect of this act, the governor shall appoint a board of examiners, four of whom shall be graduated nurses appointed from a list of twenty nominated by the Kansas State Association of Nurses together with the Secretary of the State Board of Medical Registration and Examination, constituted by the board of examiners.

Section 2. That upon taking effect of this act, the governor shall appoint a board of examiners, four of whom shall be graduated nurses appointed from a list of twenty nominated by the Kansas State Association of Nurses together with the Secretary of the State Board of Medical Registration and Examination, constituted by the board of examiners.

Section 3. That upon taking effect of this act, the governor shall appoint a board of examiners, four of whom shall be graduated nurses appointed from a list of twenty nominated by the Kansas State Association of Nurses together with the Secretary of the State Board of Medical Registration and Examination, constituted by the board of examiners.

Section 4. Every applicant for registration shall pay a fee of five dollars (\$5.00) upon filing the application. Upon receiving a certificate of registration the person to whom it is issued shall cause a copy thereof to be filed with the county clerk of the county in which such person resides, accompanied with an affidavit of his or her identity as the person to whom the same is issued, and his or her place of residence. The nurse shall be prepared whenever requested to show his or her certificate of registration. The county clerk shall charge fifty cents for registering such certificate.

Section 5. It shall be the duty of the secretary of state to file with the secretary of state on or before the first day of the month of January, April, July and October in each year a list of all certificates of registration issued by said board during the preceding quarterly period, with the names and residences of the persons to whom such certificate has been issued. The members of said board shall each receive the compensation of five dollars (\$5.00) per day for each day actually and necessarily engaged in the performance of the duties of their office, which, together with all other legitimate expenses incurred in the performance of such duties shall be paid from fees received by the board under the provisions of this act and no part of the expenses of said board shall at any time be paid out of the state treasury. All moneys in excess of per diem allowance and other expenses shall be held by the secretary of state as a special fund for meeting the expenses of said board, and such board shall submit to the governor a report of its proceedings, verified by the president and secretary thereof, on or before the 15th day of December of each year, together with an account of moneys received and disbursed by them in pursuance of this act. The secretary shall receive extra compensation of \$100.00 per annum, payable quarterly.

Section 6. A trained nurse within the meaning of this act is one who has a diploma from a chartered training school and who, under the terms of this act, is prepared to receive a certificate of registration.

Section 7. Any person who shall have completed a course of instruction and received a certificate of registration shall be styled and known as a registered nurse, and be entitled to append the letters "R. N." to his or her name, and shall be unlawful for any person who has not complied with the provisions of this act to hold himself or herself out as a registered nurse, or to use the letters "R. N." to his or her name.

N." to his or her name, or be styled and known as a registered nurse, it shall be prima facie evidence of practicing professional nursing as a registered or trained nurse within the meaning of this act.

Section 11. This act shall not apply to the gratuitous nursing of the sick by friends or by members of the family, nor to any person nursing the sick for hire who shall not in any way assume to be a registered nurse or trained nurse; nor shall it be construed to interfere in any manner with religious communities having charge of hospitals or caring for the sick in their own homes.

Section 12. Said board shall have the power to revoke any certificate issued by the board in accordance with the provisions of this act for any of the following causes: Gross incompetency, violation of the provisions of this act or anything derogatory to the moral character of a registered or trained nurse as may be determined by the board. Provided that such revocation shall be made only upon the specific charges in writing under oath filed with the secretary, and by a majority vote of the whole board, a certified copy of such decision shall be filed with the board, and the holder of such certificate shall be notified of such decision.

Section 13. This act shall take effect and be in force from and after its publication in the official state paper.
